

## Poster Presentation Guidelines

Congratulations for being selected to present during the Poster Session at the **2019 USSD Annual Conference and Exhibition** in Chicago. Complete conference information, including the technical program and online registration, can be found [here](#).

### Poster Session

The Poster Session will take place in the USSD Pavilion in the Exhibition Hall from 3:30 pm to 6:00 pm. on Tuesday, April 9. Please plan to be at your poster during this time. You are also encouraged to leave your poster up during the Tuesday evening reception and on Wednesday. You might want to be near your poster during the Tuesday reception and Wednesday breaks and lunch.

### Poster Boards

Poster boards are freestanding boards, 48 inches x 96 inches (see diagram). You may use one entire side of the board for your materials. Feel free to put any visual materials on the board — photographs, tables, graphs, etc. It is suggested that you fill as much of the board as possible with your materials. Avoid presenting too much reading material; all text should be easily read from a few feet away. Please display the title of your presentation prominently. Company logos are acceptable if kept to a minimum size. Please do not engage in any type of promotional marketing or selling of products or services on your display, or while discussing your poster with attendees.

### Template

Please feel free to use the sample template (see next page – original ppt file is on the Conference website). The template is half the size of the allocated 4ft x 8ft. To view the exact size, zoom to 200% and set print size to 4ft x 8ft. However, feel free to design your own poster!

### Set up and Teardown

Poster boards will be available for setup beginning at 10 am on Tuesday. Please be sure your poster is in place by 3:30 pm. Please stop by the USSD Registration Desk before setting up your poster to determine which board to use. Pins and tape will be available for your use if needed.

You are encouraged (but not required) to leave your poster on the board through the Wednesday coffee break, which ends at 3:30 pm. Posters not removed by 6 pm Wednesday will be discarded.
